

eBooks on EBSCOhost for Android

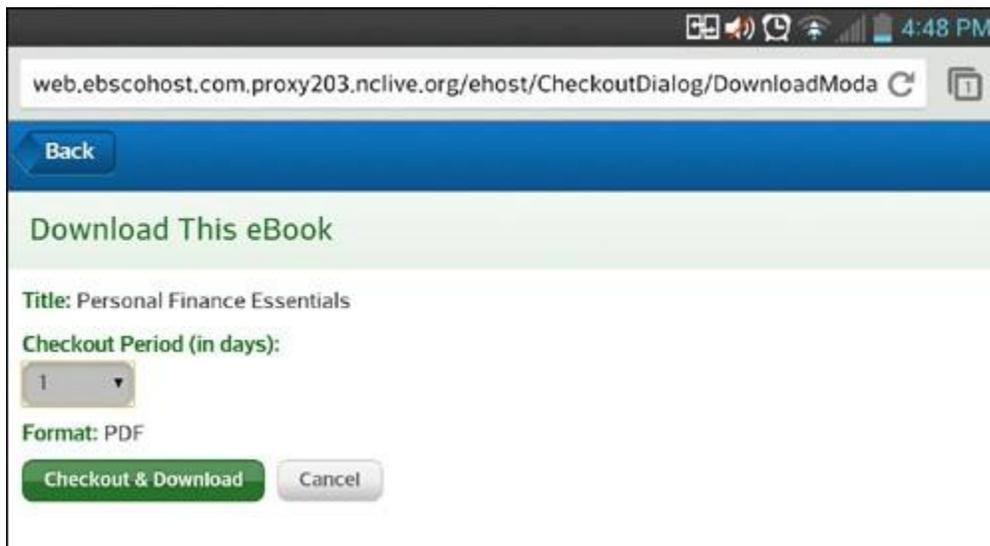

- 1) Create an EBSCOhost account if you have not already done so. [Follow these instructions on how to do this.](#)
- 2) Install the Bluefire Reader app (or another compatible eReader app) on your device, and authorize your device with your Adobe ID. If you do not have an Adobe ID, [follow these instructions on how to do this.](#)
- 3) On your Android phone or tablet, use your browser to access eBooks on EBSCOhost. You can access this collection through your library's website, or via nclive.org.
- 4) Find an eBook by searching the collection. Check the “**Download Available**” box to limit your results to downloadable titles.

5) Once you locate the book you want, click the “**Download (Offline)**” link to begin the downloading process.

6) To download the eBook to your device, click the “**Checkout & Download**” button.

7) The title will open automatically in Bluefire Reader.

8) When prompted, click the “Read Now” button in Bluefire Reader to open your downloaded eBook.
