

eBooks on EBSCOhost for Nook & Other ePub Readers

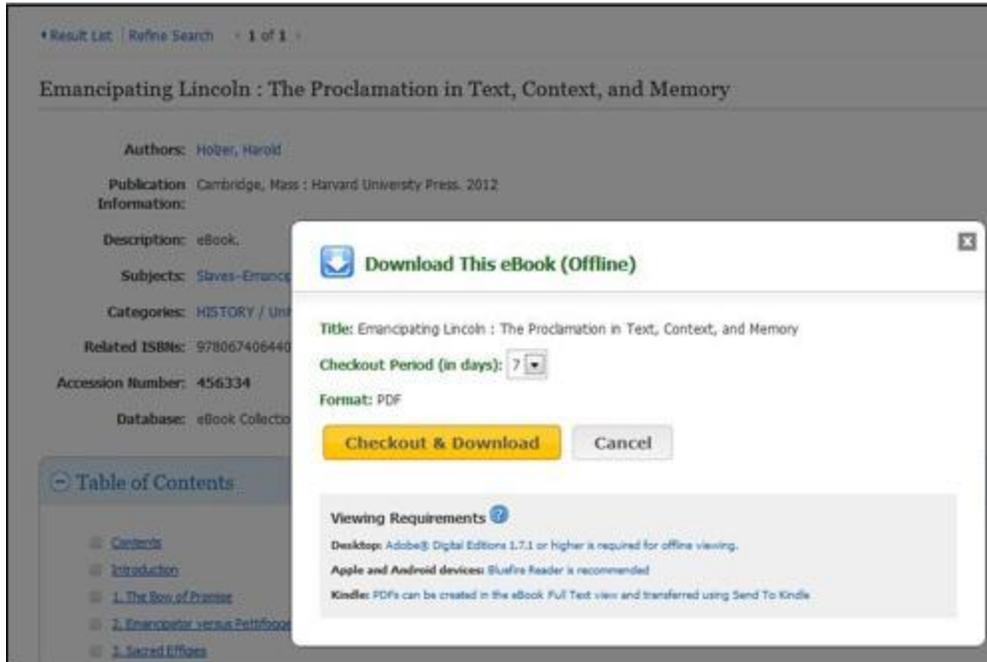

- 1) Create an EBSCOhost account if you have not already done so. [Follow these instructions on how to do this.](#)
- 2) Install Adobe Digital Editions on your computer and authorize your computer with your Adobe ID. [Visit this website to download the free software](#) and to set up your Adobe ID.
- 3) **On a computer**, use your browser to access eBooks on EBSCOhost. You can access this collection through your library's website, or via nclive.org.
- 4) Click on the title you wish to view to see the details for that title. Then click the "**Download This eBook (Offline)**" link at the left to begin the checkout and download process.

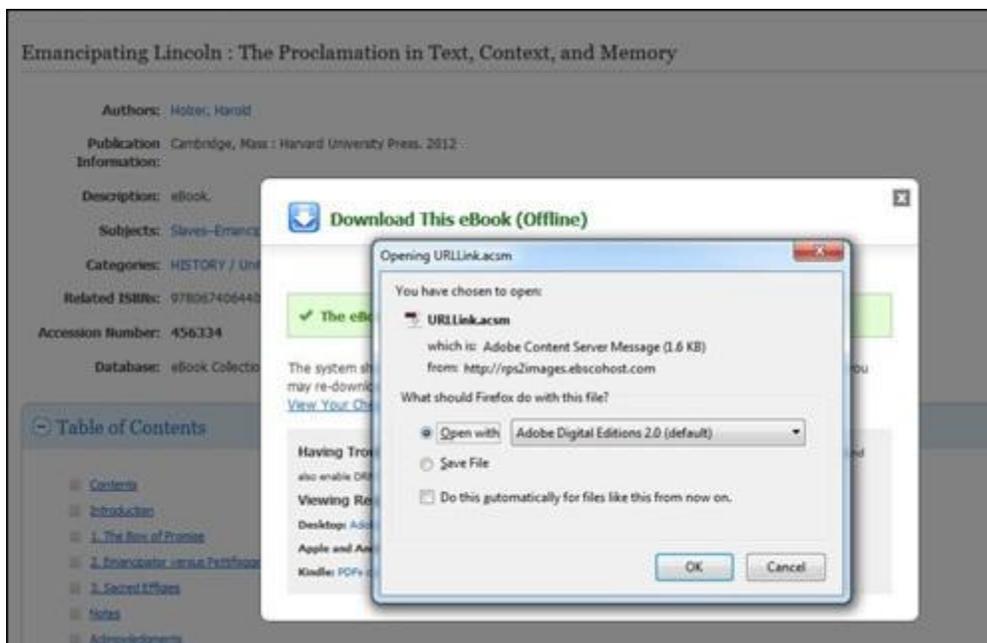

The screenshot shows the EBSCOhost search results page. At the top, there is a search bar with the text "Searching: eBook Collection (EBSCOhost) Choose Databases" and a search input field containing "Enter any words to find books, journals and more". Below the search bar are links for "Basic Search", "Advanced Search", and "Search History". The main content area displays the title "Emancipating Lincoln : The Proclamation in Text, Context, and Memory" and provides detailed information about the book, including the author (Holzer, Harold), publication information (Cambridge, Mass : Harvard University Press, 2012), description (eBook), subjects (Slaves—Emancipation—United States), categories (HISTORY / United States / Civil War Period (1850-1877)), related ISBNs (9780674064409, 9780674068285, 9780674065208), accession number (456334), and database (eBook Collection (EBSCOhost)). On the left side, there is a sidebar with navigation options: "Detailed Record", "eBook Full Text", "Download This eBook (Offline)", "Related Information", "Table of Contents", and "Find Similar Results using SmartText Searching".

- 5) If you have not already signed into your EBSCOhost account, you will be prompted to do so.

6) Once signed in, click the "Checkout & Download" button.

7) If you have installed Adobe Digital Editions and authorized your computer with your Adobe ID, your downloaded eBook should open automatically in Adobe Digital Editions.

8) Plug your Adobe Digital Editions compatible device into your computer's USB port (a Nook shown in the example below). The device will appear in on the left. Drag the book over to your device icon and the book will transfer.
