### **Discussion**

- Instruction Update
  - Shared updates on the NC LIVE training program and gathered feedback on past webinars and upcoming plans.
- Reviewed suggestions for the training program from the feedback sessions held at the NC LIVE annual conference.
- Discussed NC LIVE's support for a grant-funded, statewide AI training program that will be led by staff members from NC State University Libraries' Open Knowledge Center.
- Determine timing and details for two projects: Title II Accessibility Training this fall and the E-Resources Marketing Toolkit in the spring.
  - **DECISION:** The CETAC recommended offering webinars on Title II accessibility requirements in November so libraries have enough time to make the necessary remediations to their websites and

online materials.
