

Read What You Like

**NoveList makes it
easy to find books
that are right for *you*.**

Everyone has their own criteria for what makes a book great. That's why it's important to get recommendations that consider your unique interests, moods, and preferences, powered by real people who love books.

Here's how to get started:

 Search our library's website for NoveList. Bookmark it on your phone, tablet, or computer for easy access anywhere, anytime.

 Browse books with buzz, new titles, and curated lists, or try our interactive (and fun) book matchmaking tool, all on the homepage.

 Look up a book or author you've read and enjoyed and get read-alike recommendations and the reason why we suggest it.

 Found a great match? Look for the book in our catalog.

Check back often for more reading inspiration!
