LEARN
SPANISH FOR HEALTHCARE

Transparent Language has a Spanish course specifically for healthcare professionals. **Access it for FREE** through your library!

ACCESS THE COURSE:

1. LOG IN

Open your web browser and find Transparent Language on your library's website or the A-to-Z list of databases on nclive.org. Create an account to save your progress.

2. SELECT SPANISH

You'll see a list of all the languages offered in Transparent Language. Select Castilian Spanish or Latin American Spanish.

3. ADD MEDICAL SPANISH

Your Learning Path will be automatically populated with a Spanish introductory course, but you can delete lessons or courses to customize your path. Select the Browse Tab above your learning path to add the **Medical Spanish Specialty Course**.

4. ADD VOCAB

Look for the course specifically labeled as "Medical Vocabulary." This course will focus on medical terminology and phrases used in healthcare settings.

5. ADD TO YOUR LANGUAGE PATH

Click on the plus sign to the right of the course. You should now see this course in your learning path.

6. START LEARNING

On your learning path, you can access the course materials. The course includes interactive lessons, sample conversations, and practice exercises tailored to medical contexts.
