

High School Students Outreach Presentation Template Instructions

This outreach presentation can be customized with your institution's branding and library resources! To make your own version:

1. Make a [copy of the template here](#) (or see link at the bottom of the page)
2. Change the colors to match your institution's branding. You may also replace the NC LIVE logo with your library logo, if you prefer.
3. Add in any other recommended resources provided by your institution. You may replace sections and bullet points as needed.
4. Use the presenter notes in each slide to share key facts about the resources.

If you have any questions, please reach out to help@nclive.org.
