WHY USE ONLINE LIBRARY RESOURCES?

Quality

The information that you can find in high-quality databases is more thorough, detailed, and useful than the results of a general online search or AI.

Value

Premium education and research tools usually come with a subscription cost. Your library purchases these tools so that you don't have to!

Trustworthiness

Subscription content guarantees a level of quality and reliability not found in random web searches and AI.

NEED HELP?

A library staff member can help you find the resource you need and/or show you how to log in.

FAQs

Do I need to be in the library to log in to these resources?

Nope! You can log in from anywhere on any device.

What is my username/password?

Your regular academic login credentials are your username and password. If your login credentials are not working, please talk to a library staff member.

Who can use these resources?

Any resident of North Carolina with a library card can log in.
