## **Discussion**

### **1. Mid-cycle project ideas**

- a. Mid-cycle usage statistics assessment
  - i. ACTION ITEM: NC LIVE will pull CPU data by COI and then overall. Compare last year to this year to pick-up on COVID trends. Look at usage data for certain formats, like streaming videos and ebooks, to see if usage has been affected by COVID.
- b. Gathering feedback on new NC LIVE databases
  - i. ACTION ITEM: Create a survey to send to NC LIVE membership in June 2021 on satisfaction with NC LIVE resources and the impact the new resources had on libraries.
- c. E-resource forums for member libraries
  - i. Breakout sessions led by RAC members on various topics in e-resources, technical services, and acquisitions
    1. Claire shared an idea from the MOBIUS consortium.
    2. ACTION: RAC will send potential topics to Claire via email for a pilot e-resource forum.

**2. HomeGrown Update**

- a. Audiobook for *Fragile Democracy* loaded into hoopla
- b. Investigating geolocation for BiblioBoard
- c. Selection Working Group has finished selections, and those will be sent to publishers

**3. Strategic Planning Sessions at NC LIVE Annual Conference**

- a. COI specific planning sessions- Tuesday, May 18, 2:00-3:00pm
- b. NC LIVE-wide strategic planning- Thursday, May 20, 2:00-3:00pm

**4. COVID Forum/ Discussion**

- a. How have collections usage and acquisitions been affected by COVID at your library?

**5. AOB, Member Updates**

**6. Next Meeting**

- a. TBD in July
